

ALL ABOARD FOR TAX JUSTICE

Join our Tax Justice Tour this autumn

Tax dodging costs developing countries an estimated US\$160bn every year – more than the annual global aid budget.

So this autumn we're taking the message of tax justice on the road – in our Tax Justice Bus. We'd love you to get on board.

Come and hear our partners from around the world talk about how tax dodging affects their lives and what they're doing to bring about tax justice.
