

**You are invited to a
Faith & Life information morning**

at Sunderland Minster

on Saturday 22 June 2013, 9:45-11:45

Asking for more?

- are you an everyday Christian who is keen to explore things further as part of a supportive group of like minded people?
- are you busy in the life of your church and community, and would you value sharing with others in a programme designed to support and sustain you in your Christian journey?
- would you like to set aside some serious time for yourself and for God – and have some fun as well?
- would you like to share with people from a range of Churches/ denominations to gain a wider view of things?

If you can answer 'Yes' to some of these, then it's worth considering whether *Faith & Life* might be for you.

Lindisfarne Regional Training Partnership is offering an opportunity to find out what *Faith & Life* is all about and to hear first hand from people who have benefitted from it. Please join us for coffee, information and conversation. Come for the whole time if you can, but it's also okay just to drop in.

This is for anyone who feels that they might benefit personally from *Faith & Life*, or who might be considering recommending it to others. It would also be good to meet with you if you might be interested in helping to support *Faith & Life* as a Teaching Partner, Group Co-ordinator or Group Pastor.

Faith & Life begins each September with local groups meeting weekly during term time. There are also four occasions when the *Faith & Life* groups from across the region meet together (the Launch, two 'Days Away' and the End of Course Celebration). Many people find these events to be real highlights on the *Faith & Life* journey.

You don't need to book for the coffee, info, and conversation, but we will be delighted if you do let us know you are coming (so we can ensure that there's enough cake for everyone!). Contact Jenny Burton by email admin@lindisfarnertp.org or on 0191 270 4144. There will also be information about Lindisfarne's shorter courses.

Lindisfarne RTP was established by the Dioceses of Durham and Newcastle, and the Methodist and United Reformed Churches as a partnership for Adult Christian Learning in the North East.
